Getting here couldn't be easier

By car: On the border, Smiths at Gretna Green is just off Junction 22 on the M74/M6, the key motorway linking England and Scotland. Ten minutes north of Carlisle and within 2 hours of Manchester, Liverpool, Newcastle, Glasgow or Edinburgh. There is plenty of free parking when you get here.

By train: Gretna Green's own railway station is only a couple of minutes away. Carlisle and Lockerbie stations are a 15 minutes drive.

By ferry: We are only 2 hours drive from the Irish ferry terminals at Stranraer/Larne. Ferry terminals at Newcastle, Hull, Rosyth and Liverpool are also within comfortable driving distances.

By plane: The airports at Newcastle, Edinburgh and Glasgow are about 1½ hours drive; Manchester and Liverpool are around 2 hours. Private aircraft can land at Carlisle Airport (15 minutes) and helicopter landing can easily be arranged 'in the field next door.'
